

What is priority boarding and board first?

Priority boarding and board first lets you avoid the lines and get to your seat sooner. This applies to:

- Passengers who purchase a carry-on bag
- Passengers who purchase a Bundle that includes Board First
- Elite members of [FRONTIER Miles](#)
- If you did not purchase a carry-on but still want to board the plane earlier, purchase Zone 2 Priority Boarding during your booking.

Note: If you purchase a carry-on bag or board first, it will be on your boarding pass.
