

## What happens if I purchased the PERKS for an upcoming trip?

If you purchased the PERKS , you will see a change to your itinerary. However, all of the products that you purchased in the PERKS bundle will still be included on your itinerary but you may see a different bundle name.

If you purchase the PERKS we have added our new bundle that includes all of the prior products to your itinerary. There is no new charge and you will still get all of the things that you initially purchased.
