

# What is Flight Flexibility?

Last Modified on 10/26/2020 9:03 am MDT

With Flight Flexibility, you change your flight date or time. Simply add it during your booking on the flyfrontier.com or in our mobile app. Then, if you need to make a change, visit My Trips on the flyfrontier.com website or “My Flights” in the app and make one change for FREE\*, up to 24-hours before your first departure!

Some things to know about Flight Flexibility:

1. It can only be purchased at initial booking of your ticket.
2. It is one-time use, meaning you can make only one change
3. The change waives the change fee, but does not include any difference in fare.
