

Do you offer military discounts?

Frontier Airlines does not offer military discounts but does welcome U.S. military service members* onboard and extends the following baggage waivers when presenting a valid/unexpired U.S Government Common Access Card (CAC) or an Armed Forces of the United States Identification Card (Reserve) at the airport check-in counter or at the gate:

- One free personal item
- One free carry-on bag
- Two free checked bags

These baggage waivers apply to the individual as well as accompanying spouse and children. All baggage accepted from U.S. military passengers, and their spouse and children, must comply with baggage acceptance policies regarding size and weight limits. Oversize and overweight baggage fees are waived for the first two free checked bags.
