

# Where is the mobile boarding pass available?

**Mobile Check-In:** Download our free mobile app for [iOS](#) and [Android](#) to check-in and get your mobile boarding pass with ease. If you have your mobile boarding pass in hand and are not checking a bag, or just have a carry-on, you can skip the airport line and head straight to the gate!

To view your boarding pass, open your Frontier Airlines App and click **My Trip**.

Put in your **Last Name** and **Confirmation Code** (6 characters and is a combination of letters and numbers) and click **Search**.

Your itinerary will be available there and boarding pass will be available to you after you check in.
