

# Can I still get a printed boarding pass?

Here are all the ways you can get and use your boarding pass.

- **Online:** You can print your boarding pass when you check-in to your flight online. If you don't print your boarding pass right away, you can always log back into [My Trip](#) on your *Manage My Booking* page to get your boarding pass at a later time before your trip.
- **Mobile:** Using our free mobile app, you can get your mobile boarding pass and use it right at the gate on your phone!
- **Airport:** [Airport Agent Assistance](#) is available for purchase for our passengers who prefer ticket counter assistance at the airport.
