

# What is a travel advisory?

There may be times when severe weather or other unexpected events impact Frontier's operations. During these times, Frontier may issue or offer a flexible travel policy to accommodate our customers who may need to change their travel plans.

**For information on any current Travel Advisory, visit this [page](#).**

A few things to know:

- Check for the latest flight updates by going to our [Flight Status](#) Page
- **If your flight has been canceled:** we have sent you an email from Frontier Airlines (info@reservation.flyfrontier.com) you are eligible for a refund, to rebook, or to cancel and receive a credit shell valid for 5 years from the date of cancellation.
