

Will my boarding pass automatically update if there are involuntary changes made to my flight?

Yes! If there are any involuntary changes to your flight, your **mobile boarding pass** will automatically update with the new details.

Helpful Tips:

- Be at your gate at least **45 minutes** before departure—that's when boarding usually begins.
- Gate assignments and departure times can change, so be sure to monitor:
 - Airport flight information displays
 - Your [Flight Status](#) online at
