How to Add Pets During Initial Booking

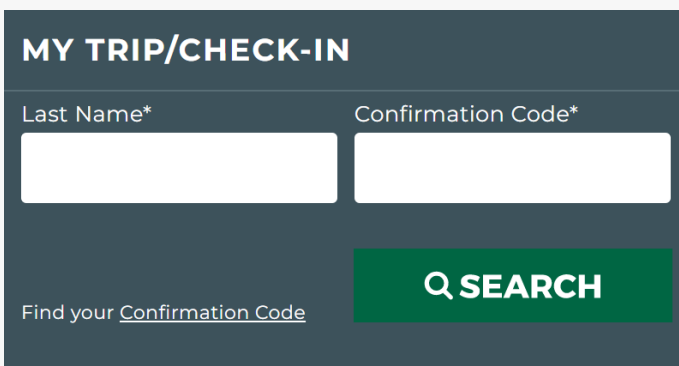

Need to add a pet? Here's how to add a pet to your reservation during the initial booking:

The screenshot shows the Frontier website's 'PASSENGER INFO' section. At the top, there's a navigation bar with 'FRONTIER' logo, 'FLIGHT—INFO', 'BUNDLES', 'SEATS', 'BAGS', 'ADD-ONS', 'PAYMENT', and 'Hi, log in | sign up'. Below this, a green bar indicates 'Earn 1256 mL on this trip! Learn More' and '\$100.96'. The main heading is 'PASSENGER INFO'. Below that, there's a 'Passenger 1' section with a 'Sign Up' link. The form includes fields for 'FRONTIER Miles™ #', 'Passenger Type' (set to 'Adult'), 'First Name*', 'Middle Name', 'Last Name*', 'Suffix', 'Gender*', and 'Date of Birth* (mm/dd/yyyy)'. At the bottom, there's a section for 'Add Additional Services & Information' with a 'Special Services [-]' dropdown menu. The 'Cabin Pet [-]' option is highlighted with a red box. Other options include 'Redress Number [-]' and 'Known Traveler Number/TSA Pre✓ [-]'.

How to Add Pets to an Existing Booking

First, enter your last name and confirmation code to view your trip itinerary. You'll then be directed to Manage Your Booking. There you will be able to add 'Special Services'. Manage your booking [here](#).

The screenshot shows a dark grey search form titled 'MY TRIP/CHECK-IN'. It has two input fields: 'Last Name*' and 'Confirmation Code*'. Below the 'Last Name*' field is the text 'Find your [Confirmation Code](#)'. To the right of the input fields is a green button with a magnifying glass icon and the text 'SEARCH'.
