

What is Family Pooling?

Family Pooling is a way for a group of up to 8 people to share their *FRONTIER Miles*.

1. The eligible *FRONTIER Miles* member opens the family pool and becomes the "head".
2. The head of the pool can invite up to 8 friends & family members to join and share their *FRONTIER Miles*.
3. Once your pool has enough *FRONTIER Miles*, the head can redeem them for an award flight!
