

How much do taxes, fees, and charges cost per flight?

GoWild Pass airfare is \$0.01 per segment booked. In addition, you pay the government and airport-imposed taxes, fees, and charges in effect at the time of booking. These are the responsibility of the pass holder.

No additional carrier interface charge applies to GoWild Pass tickets at the time of booking. Current domestic taxes, fees, and charges start at approximately \$14.90 per person, per flight.

International taxes, fees, and charges vary widely and can exceed \$100 per person, per flight.

The \$0.01 per-segment airfare and applicable taxes are separate from the cost of the GoWild Pass subscription itself.
