

## **What happens if I need to change or cancel a ticket booked with a GoWild! Pass?**

GoWild! Pass flights become available to book and confirm the day before flight departure for domestic travel or starting 10 days before flight departure for international travel; then current change or cancel fees and policies are applicable to your itinerary once booked. If you no longer plan to travel on the itinerary you booked using your GoWild! Pass, be sure to cancel your booking as soon as possible prior to your flight's scheduled departure time to avoid penalties. No Shows are subject to the terms set forth in Frontier's Contract of Carriage. GoWild! Pass holders who repeatedly book and no-show flights, or who otherwise violate the terms and conditions of the Pass, are subject to financial penalties up to and including the revocation of pass privileges without refund.
